Motto Quality, Relevant and Affordable Education

A HISTORY OF BARATON COLLEGE

The institution was started in the year 2007 mainly with the aim of training teachers but in 2012, animal health and production courses were introduced. The animal health and Production department is fully registered by The Kenya veterinary board and The Education department accredited by The Kenya national Examination Council.

The vision of the college is to establish it as centre of excellence with education related studies aimed at developing knowledgeable and skilled human resources for enhancement of transformation and productivity in society.

The mission of the college is to provide high quality and affordable teaching, learning, research and services in environment that enables staff and studies to be practical innovation and in the current world.

The institution has four campuses namely; Baraton campus, which is the main campus, Kapsabet campus in Kapsabet Town, Eldoret campus in Eldoret Town and Sosiot campus located in Kericho. Kapsabet campus trains animal health and production in addition to education programme training. The institution has students from all regions of Kenya.

Since 2017, the college was also registered to offer Artisan, Certificate and Diploma KNEC Business and Technical Courses. We have students in this department taking courses in eg Information Technology, Secretarial Studies, Plumbing, Food and Beverage Course, Social Work, Human Resource, General Agriculture, Purchasing and Supplies and many other courses.

Those who will graduate are as follows: -

- (a) Diploma in teacher education (DTE) who have trained for 3 years and will provide services to secondary schools.
- (b) Primary teacher education (PTE) or p1- who are graduating after successful training for 2 years and will provide services to Primary Schools.
- (c) Certificate in Early Childhood Development and Education
- (d) Artisan, Certificate and Diploma in General Agriculture

- (e) Diploma in animal health and production who have trained for 3 years
- (f) Diploma in animal production who have trained for three years
- (g) Certificate in animal health and production who have trained for two years
- (h) Certificate in animal production and Health Management which is a two years course.

The college is doing its best to ensure the students are equipped with practical skills through collaboration with The Regional veterinary investigation laboratory (VIL) situated at Eldoret, Kaimosi Agricultural training College and The County Government of Nandi. A total number of 512 students will graduate as follows:-

i)	Animal Health and production	-	147 Graduands

Kenya National Anthem

O God of all creation
Bless this our land and nation
Justice be our shield and defender
May we dwell in unity
Peace and liberty
Plenty be found within our borders.

Let one and all arise
With hearts both strong and true
Service be our earnest endeavour
And our homeland of Kenya
Heritage of splendour
Firm may we stand to defend.

Let all with one accord
In common bond united
Build this our nation together
And the glory of Kenya
The fruit of our labour
Fill every heart with thanksgiving.
